STUDIES IN
CANADIAN MILITARY HISTORY series

UBCPress
The Studies in Canadian Military History Series, published in association with the Canadian War Museum, presents the best of contemporary scholarship to provide new insights into all aspects of Canadian military history, from earliest times to recent events. Highlighting the work of a new generation of scholars, the books employ a variety of approaches – cultural, social, intellectual, economic, political, and comparative – to investigate gaps in the existing written history. The books in the series feed immediately into future exhibitions, programs, and outreach efforts by the Canadian War Museum.
